Re: *In re Initial Public Offering Sec. Litig.*, 21 MC 92 (SAS)

Dear Judge Scheindlin:

On behalf of the Plaintiffs' Executive Committee, I write to respectfully request
an extension of time to Thursday, December 23, 2010 to submit a response to the three
pending objections to the Executive Committee's fee allocation proposal, with replies to
be submitted by Friday, January 21, 2011.

On November 3, 2010, this Court directed Plaintiffs' counsel to file any
objections to the Executive Committee's fee allocation proposal under seal by November
8, 2010. Siemion Huckabay, P.C. and Johnson & Perkinson submitted objections by
November 8, 2010. On November 12, 2010, this Court vacated its November 3, 2010
order and directed Plaintiffs' counsel "to serve the Executive Committee directly with
any motions or objections to the fee allocation plan" by November 22, 2010 so that the
Executive Committee could propose work product redactions and then respond to the
objections by December 10, 2010. Reading this Court's November 12, 2010 order as
extending the deadline for filing objections, Centennial Bank submitted its objection to
the fee allocation plan on November 22, 2010.

In order to respond to all three objections in one brief and to adequately address Centennial Bank's more recent objection, the Executive Committee respectfully requests an extension of time to Thursday, December 23, 2010. Siemion Huckabay, P.C. requests until Friday, January 21, 2010 to reply in view of the holiday week following the Executive Committee's submission.

Centennial Bank and Siemion Huckabay do not object to this request. A call to Johnson & Perkinson was not returned in time for this letter.

Respectfully,

Christian Siebott
